

G2 Marketing Solutions

Grow your business on the world's most trusted B2B buyer discovery & data-driven marketing platform.

G2 Marketing Solutions is your door to the more than 90M people researching, comparing, and buying software on G2 every year. For over 10 years and 2+ million reviews, software vendors have trusted G2 to build credibility and power their pipeline.

When you work with G2 to drive marketing and sales success, you unlock tools to get the most out of your profiles, help you collect more reviews, identify in-market accounts, promote your rankings, and tap into an incredible aggregation of data and insights that can shape your future go-to-market.

G2 Marketing Solutions can be configured based on your goals for every product in your portfolio. Packages are strategically built for maximum value and big growth—and you can mix and match for the perfect solution.

90M

90M buyers a year visit G2 to find the right solutions for their business.

2M+

2M+ trusted reviews and validated insights.

8x

Product profiles on G2 get 8x higher traffic than the competition.

#1

More #1 Google rankings than any other software review site.

**G2's Core module is required to purchase additional modules for Reviews, Buyer Intent, Content Subscription, and Market Intelligence.*

Core

Earn more exposure, share your story, & connect with buyers.*

Review Growth

Elevate your reputation with a consistent flow of authentic customer reviews that build buyer confidence.

Buyer Intent

Accelerate and optimize your pipeline with low-funnel intent signals that reveal in-market buyers.

Content Subscription

Convert more leads with licensed G2 Reports and Grids® powered by trusted reviews.

Market Intelligence

Improve your go-to-market with deeper product insights and unmatched competitive intelligence.

Core

Take control of your brand reputation & immediately engage active buyers.

Make sure your products are found by the millions of active buyers researching B2B software and services. The Core package not only ensures your profile acts as an extension of your brand, but is equipped to turn clicks into potential conversions. Engage prospects effortlessly through compelling CTAs, curated content, and exclusive deals, so vetting visitors become committed customers.

17x

Upgraded profiles see 17x more traffic on their profiles.

2,000%

Upgraded profiles see users spend 2000% more time spent on their page.

3x

Upgraded profiles are 3x more likely to rank on the first page of Google results.

"People trust their peers. In today's day and age, you create that trust through things like G2 and happy customers."

Brian Halligan
Co-Founder, Executive Chairperson

**G2's Core module is required to purchase additional modules for Reviews, Buyer Intent, Content Subscription, and Market Intelligence.*

 - G2 Track Your Prospects

Review Growth

Elevate your reputation with a consistent flow of authentic reviews that build buyer confidence.

Prove your category leadership with a continual cadence of high-quality reviews, boosting your G2 presence and driving sales conversion rates. With a diverse set of review generation tools and services, gather feedback at scale and ensure your reviews are always fresh. Seamlessly share impactful quotes and identify relevant references to win over prospects, eliminating the back and forth of reference requests.

4x

Profiles utilizing review collection integrations gather almost 4x more reviews per month than G2 Profiles without an in-app integration or tool.

10+

G2 has seen customers move up 10+ spots on the grid after using the in-app review collection levers.

Truckstop went from 13 to 1 in two categories after turning on the G2 + Pendo integration.

 **TRUCKSTOP** | [Read now](#)

**G2's Core module is required to purchase additional modules for Reviews, Buyer Intent, Content Subscription, and Market Intelligence.*

Features

- Custom questions on the review form
- Share and embed key review quotes
- Share user review widgets
- Share report G2 Grid® and live Grids®
- Build custom reference pages

Review insights

- Export review data (includes Snowflake access)
- Access to review campaign performance
- Review notifications powered by Slack

Buyer Intent

Efficiently target, win, and retain your best-fit, in-market buyers.

Buyer Intent helps marketing and sales teams find, target, and re-target their best-fit buyers most likely to convert. With exclusive insights from G2's 90M+ annual software buyers and ideal customer profile filters to find the perfect fit, you'll be able to reach the right person at the right time with the right message—and close that deal.

30%

Buyer Intent customers see a 30% increase in deal size on average.

3x

Buyer Intent customers see 3x opportunity to customer conversion rate on average.

20 - 30%

Buyer Intent customers see 20-30% of deals on average sourced via G2.

"We have enjoyed a 4x ROI spend on campaign channels."

Colin Chang
Manager of Marketing Programs

Market Intelligence

Improve your go-to-market with deeper product insights and unmatched competitive intelligence.

Make data-driven decisions about your growth strategy using millions of proprietary inputs from authentic customer reviews and buying behavior in your industry, translated into actionable insights. Spot competitive trends, access hard-to-find intelligence, and learn what your competitors' customers love and hate—all so you can win more deals. Plus, have a built-in, always-on, focus group for your product—and others in your categories—helping you build products your customers can't live without.

“This is already a part of my daily life. We’re delighted that we can find this kind of information on a competitor, and what we can provide to our leadership team is awesome. It’s dependable, repeatable, defensible data.”

James Raffield
Director of Competitive Intelligence

Connecting buyers & sellers.

Our suite of tools designed for growth. Get noticed and build trust. Find buyers primed to purchase. Market with intent and relevancy.

And sell more software.

Let's build your plan

Generate reviews.

Amplify the voice of your customer and build leadership in your category and visibility for your product with reviews.

Build credibility & differentiation.

Leverage quotes, video testimonials, reference pages, reports, and social assets to drive credible differentiation from the voice of your customers.

Gain insights.

Leverage G2 Market Intelligence for your product, category and competitors to improve messaging, build your roadmap, inform pricing, strategy, and more

**G2 powers
customer-led
growth.**

Grow revenue.

Use buyer intent data + customer marketing content to build demand generation campaigns and improve the revenue funnel.

Grow buyer traffic.

Reviews and customer-driven marketing drive more traffic to your website and G2 profile pages. This increases the buyer intent data you can use to identify and connect with prospective, in-market buyers.
